# WELCOME!

Welcome to the University of Worcester. We are delighted you have chosen to study with us as one of our academic partners. We hope that you will find your studies both enjoyable and inspiring. This guide is designed to help you find out about the facilities and services available at the University of Worcester and how you can access them.

We hope to have the opportunity to meet you in the year and hear how you are getting on.

Good luck with your studies!

## Accessing Support from the University

Our academic partners have some excellent facilities available to support you locally.

However, you may sometimes need to access the main University facilities. You are always

welcome to visit our campus in Worcester. There are several other ways to get in touch

with us. You can access the following services or make appointments online or over the phone.

Face to face consultations are always better than phone consultations and we are happy to

offer our Students Union (SU) support to help you with your studies. We are happy to

When speaking to us from home or college, do think about the best way to contact us. 196 Tf T(W)T

## Library Services - <https://www.library.wvu.edu>

As a University of West Virginia registered student you have access to thousands of online resources which you can access 24 hours a day, 7 days a week. If you are not currently a student at WVU, you can still access the library through the Joint University and Public Library. If you are not close enough to the library, you can request a book to be delivered to your home. For more information, please visit <https://www.library.wvu.edu/boonivg-srv>.
